Bakersfield City School District

Values:

Equity, Integrity, Caring, Collaboration, Personal & Collective Accountability

Vision:

Our vision in Bakersfield City School District is to be the model of educational excellence, equity and innovation.

Mission:

Bakersfield City School District's mission is to educate all students at the highest levels of academic excellence to become collaborative, creative, and critical thinkers.

- 44 schools with nearly 30,000 students
- 90% Socioeconomically disadvantaged
- 28% English Learners
- 79% Latino
- 8% African American
- 9% Caucasian
- 1.7% identifying with a different ethnicity or multiple ethnicities.

District Goals

#1 **ACADEMIC ACHIEVEMENT**

The Bakersfield City School District is committed to ensuring the academic achievement of all students through culturally responsive and high-quality teaching and learning where all students are supported in a multi-tiered system of supports to reach grade-level mastery of all content standards.

#2 **SOCIAL EMOTIONAL LEARNING**

The Bakersfield City School District is committed to supporting the social emotional, mental and physical health of all students, families and staff through a culturally responsive and trauma-informed multi-tiered system of support.

#3 **FAMILY AND COMMUNITY ENGAGEMENT**

The Bakersfield City School District is committed to increasing the level of participation and engagement of all parents, families, and community members to ensure culturally responsive and high quality student learning where all students reach grade level mastery of all content standards.

BCSD Core Priorities

Priority 1: A Culture of Collective Efficacy

We believe in the collective capacity of our certificated and classified staff and the ability of staff at each school to positively affect student achievement.

Priority 2: A Culture of Teaching and Learning

We believe grade level mastery of content standards (Language, Literacy, Mathematics, and the Sciences) are critical for college and career readiness.

Priority 3: A Culture of Student Centered Schools

We believe in the power of relationships, the importance of teaching self awareness and self management techniques leading to responsible decision making to support the development of the whole child to compete in our global economy.

Priority 4: A Culture of Access and Inclusion to Ensure a Multi-Tiered System of Supports for All Learners

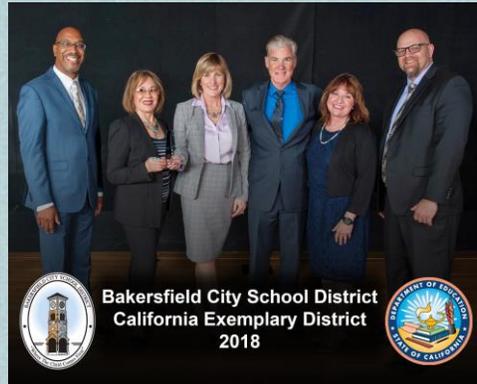

We believe implementing a coherent system is vital to meet the academic, behavioral and social emotional needs of all students.

2020 District of Distinction

How parent engagement drives rising achievement

Bakersfield City School District turns around low-performing schools with focus on family involvement

By: Matt Zalaznick | Issue: October 2020
August 18, 2020

Impact of COVID-19

Department Challenges

- Building new relationships with new and incoming parents
- Shifting course with new changes and responsibilities
- Keeping parents motivated via Zoom
- Parent apathy - “If my kids aren't on campus why do I need to bother with parent engagement”
- Hiring of new FACE Liaisons at 7 sites

Department Opportunities

- Increased technology skills
- Enhanced creativity and outreach design
- Increased collaboration among staff

Parent/Family Challenges

- Feeling disconnected - missing the human connection of seeing staff, teachers, and other parents
- Choosing between working and being with their children
- Pressure of being the teacher - Multiple children, multiple devices, internet connectivity
- Distractions in the home (siblings, pets, music, parents...)
- Ability to understand the assignments or expectations from the teachers (language, education barriers)
- Apathy or lack of effort because “this year doesn’t count”
- Loss of jobs, homes, safety/mental health

Parent/Family Opportunities

- Increased access to teachers/parent conferences
- Increased technology skills for kids and families
- Increased ability to attend variety of sessions

Expansion of Dual Immersion Schools

The Dual Immersion Program is a challenging and rigorous academic program in which Spanish is used as the target language of instruction. The classroom population target is half native Spanish-Speaking and half English-Speaking students. The program implements an 85/15 model, in which TK/K students receive 85 percent of their instruction in Spanish and 15 in English; it increases incrementally.

Family engagement is not a single event. It is a shared responsibility; a partnership involving parents, schools, the district, and community.

These partnerships are not hard work, but *heart* work. Not more work, but ***the*** work.

Not harder work, but *smarter* work to mobilize all available resources that will contribute to student success.
