Senate Bill 187: Comprehensive School Safety Plan Purpose:

The California Education Code ([sections 32280-32288](#)) outlines the requirements of all schools operating any kindergarten and any grades 1 to 12, inclusive, to write and develop a school safety plan relevant to the needs and resources of that particular school.

In 2004, the Legislature and Governor recast and renumbered the Comprehensive School Safety Plan provisions in SB 719 and AB 115. It is the intent of the Legislature in enacting the provisions to support California public schools as they develop their mandated comprehensive safety plans that are the result of a systematic planning process, that include strategies aimed at the prevention of, and education about, potential incidents involving crime and violence on school campuses.

The historical requirement of the Comprehensive School Safety Plan was presented in Senate Bill 187, which was approved by the Governor and chaptered in 1997. This legislation contained a sunset clause that stated that this legislation would remain in effect only until January 1, 2000. Senate Bill 334 was approved and chaptered in 1999 and perpetuated this legislation under the requirement of the initial legislation.

Comprehensive School Safety Plans are required under SB 719 & AB 115 and contains the following elements:

- Child abuse reporting procedures
- Disaster procedures
- Suspension and expulsion policies
- Procedures to notify teachers of dangerous pupils
- Discrimination and harassment policies
- School-wide dress code policies
- Procedures for safe ingress and egress
- Policies enacted to maintain a safe and orderly environment
- Rules and procedures on school discipline
- Hate crime reporting procedures
- Assessment of school crime committed on school campuses and at school-related functions

The Comprehensive School Safety Plan will be reviewed and updated by March 1st every year. By July of each year, the school will report on the status of its school safety plan, including a description of its key elements in the Annual School Accountability Report Card (SARC).

A hard copy of the Comprehensive School Safety Plan is available for review in the Front Office. Links to school SARC and Safety Plans can be found in the district Local Control Accountability Plan (LCAP) as well as the School Plan for Student Achievement (SPSA). Safety plans are also available on the school website.d

MHUSD School Safety Plan Vision

The purpose of the safety plan is to intentionally develop a safe and positive learning environment where all students feel secure and ready to learn. The safety plan communicates norms of behavior to allow all learners and teachers to thrive. It also delineates processes and procedures to efficiently and safely respond to emergent situations that require special routines to be learned.

The MHUSD Student Code of Conduct Handbook

The district wants to ensure that all students are able to learn in a safe and conducive learning environment. The details of many of the policies listed in this plan can be found in the District Student and Parent Rights and Responsibilities Handbook linked here in [English](#) and in [Spanish](#).

The MHUSD Discrimination and Harassment policy

The Governing Board of the Morgan Hill Unified School District is committed to equal opportunity for all individuals in education. Morgan Hill Unified School District programs and activities do not discriminate on the basis of gender, gender identity, age, sex, race, color, religion, ancestry, national origin, ethnic group identification, marital or parental status, physical or mental disability, sexual orientation or the perception of one or more of such characteristics. The Board shall promote programs which ensure that discriminatory practices are eliminated in all district activities. The policy can be found here: [Discrimination and Harassment Policy](#).

Assessment of School Safety

The School Administration reviews the Safety Plan with the School Site Council annually. Administration consults with the School Resource Officer, Fire, and other emergency agencies to ensure that current protocols are available and communicated. Schools sites review office referrals, attendance and suspensions and expulsions. That information can be found here: [Assessments data](#) (note Assessment data is from 2019-2020 due to COVID and State assessments being waived)

Strategies and Programs to Provide and Maintain a High Level of Safety ([EC 32281\(a\)1, items A-J](#))

It is a priority of the administration and staff in the Morgan Hill School District that every student who attends our schools will have an environment that is physically safe with a positive school climate. This includes all venues and hours, inside or outside the classroom, coming or going to school, as well as at school-related activities.

Our administration and staff work to provide an orderly, caring, and nondiscriminatory learning environment where all students can feel comfortable and take pride in their school and their achievements. This includes teaching students the values of equality, human dignity, mutual respect, and to employ cooperative learning strategies that foster positive interactions among students from diverse backgrounds. Students shall have opportunities to voice their concerns about school policies and practices and to share responsibility for solving problems that affect their school. Staff shall encourage and reward success, achievement, participation in community projects, and positive student conduct.

Our school district promotes nonviolent conflict resolution techniques to encourage attitudes and behaviors that foster harmonious relations. Staff shall receive training to implement and support conflict resolution (California Education Code Sections [32228 – 3228.6](#), [35160](#), [35160.1](#), [44806](#)).

(G) Procedure for Safe Ingress and Egress of Pupils, Parents and Staff to and from School ([EC 35294.2](#))

Morgan Hill Unified takes pride in our mission to provide a safe environment for all students, parents and school employees. Our school will ensure safe ingress and egress to and from the school for pupils, parents and school employees. Safe ingress and egress will be maintained by periodic reviews of the procedures for ingress and egress. The

school will ensure that all passageways to and from school buildings, corridors within school buildings and emergency exits remain clear of all obstruction to allow the flow of pedestrian and vehicular traffic. The school will also ensure that potential obstructions and hazards are removed from such areas. To achieve this goal, the school works closely with local law enforcement, fire, and city agencies to ensure safe access.

A large majority of students arrive and leave school in private vehicles. Students arriving or departing from school must use the designated loading and unloading zone(s). A crosswalk is provided for access to the parking areas.

The needs and preferences of non-ambulatory individuals will vary. Those at ground floor locations may be able to exit without help. Others may have minimal ability to move, and lifting may be dangerous. Some non-ambulatory people also have respiratory complications. Remove them from smoke and vapors immediately. For students with specific needs and have an IEP (Individual Education Plan), safety evacuations will be addressed in the IEP.

To alert individuals with hearing limitations

- Turn lights on/off to gain person’s attention -OR-
- Indicate directions with gestures –OR-
- Write a note with evacuation directions.

To evacuate individuals using crutches, canes or walkers

- Assist and accompany to evacuation site, if possible -OR-
- Use a sturdy chair (or one with wheels) to move person -OR-
- Help carry individuals to safety.

To evacuate individuals using wheelchairs

- Give priority assistance to wheelchair users with electrical respirators.
